

EXECUTIVE SUMMARY

BFTEch student at National Institute of Fashion Technology with a strong interest in **AI**, **IoT**, and **smart manufacturing** applications in textile and apparel industries. Experienced in AI-based fabric defect detection, IoT-enabled production monitoring, and real-time dashboard development for manufacturing systems. Currently researching methods to improve operator efficiency in apparel production lines using **smart monitoring technologies** and **Industry 4.0 concepts**. Skilled in integrating technology-driven solutions with textile manufacturing, fabric inspection, and production workflow analysis.

EDUCATION

National Higher School of Textile Arts and Industries (Ensait) - France

Exchange Program Student
Textile Technology
2026/03

National Institute of Fashion Technology

Bachelor of Fashion Technology
2023 - 2027
CGPA-8.68

LANGUAGE

- English
- Tamil (Native)
- Hindi (Intermediate)
- German(Beginner)
- French (Beginner)

SKILLS

- | | |
|------------------------|---------------------------|
| • Fabric Science | • Retailing |
| • MS office | • AI Tools |
| • Garment Construction | • Leadership |
| • Consumer Behaviour | • Communication |
| • Marketing | • Internatinal Management |
| • Merchandising | • 3D CAD (Lectra) |

CERTIFICATIONS

- 2025/12
Shahi Exports Pvt Ltd.,
- 2025/07
Knit Gallery India Pvt. Ltd.,
- 2024/06
Sri vedha Mills pvt ltd.

PROFESSIONAL EXPERIENCE

INTERN

Shahi Exports Pvt. Ltd., Faridabad, Haryana, India
Intern – Apparel Manufacturing & Merchandising |
December 2025 (2 Months)

Knit Gallery India Pvt. Ltd., Tiruppur
Intern – Textile Manufacturing (Knitting)&
Merchandising | July 2025 (2 weeks)

Sri vedha Mills pvt Ltd., Erode
Intern - Fabric
Manufacturing(weaving),Finishing,Merchandising
July 2024 (1 week)

ACHIEVEMENTS & LEADERSHIP

INTERNATIONAL CONFERENCE ON
SUSTAINABLE DESIGN PRACTICES 2023,HP
Role : volunteer

- **Vice President of college sports club.**
- Won medals in college-level sports competitions including:
 - Cricket
 - Kabaddi
 - Volleyball
 - Basketball
 - Table Tennis
- Participated in social outreach activities, workshops, and student career guidance programs.

Additional Information

- Recived a 'Excellence' Award From Tamil Nadu Education IAS
- Participating consitenly in Intercollege Competations (Converge 23-25")
- Conducting,Organising,Volunteering College Events in Intracollege Competations (Spectrem 24)
- Core Member in Sports club (Sekiyo) 2024
- Exposure to advanced textile testing & quality control methods at GEMTEX Lab (ENSAIT, France)

CORE COMPETENCIES

- AI-Based Fabric Defect Detection
 - IoT-Enabled Smart Manufacturing
 - Real-Time Production Monitoring
 - Computer Vision & YOLO
 - Production Line Efficiency Analysis
 - Textile Testing Fundamentals
 - Smart Factory & Industry 4.0 Concepts
 - Fabric Inspection & Quality Control
 - Textile & Apparel Manufacturing
 - Process Optimization & Workflow Analysis
 - Data Monitoring Systems
 - Marketing and Merchandising
-

TECHNICAL SKILLS

- Python (Basic)
 - YOLO Object Detection
 - Computer Vision Fundamentals
 - IoT & Smart Monitoring Systems
 - Real-Time Dashboard Development
 - Website Development
 - Dataset Annotation & Image Processing
 - MS Excel, PowerPoint & Word
 - Textile Testing & Fabric Analysis
 - Production Workflow Understanding
-

PROJECTS & RESEARCH

- **AI-Based Fabric Defect Detection System** – Developed a YOLO-based computer vision system for automated fabric defect inspection in textile manufacturing.
- **IoT-Based Production Line Efficiency Research** – Researched IoT-enabled monitoring methods to improve operator efficiency and production workflow in apparel manufacturing.
- **Real-Time Manufacturing Monitoring Dashboard** – Created a real-time dashboard to monitor apparel manufacturing machines and improve operational reliability.
- **Smart Classroom Occupancy Sensor System** – Designed a sensor-based system to track human activity ,occupancy and automate lights off system to save Electricity(Participated in India Hackathon 2024).
- **Craft Documentation – Kullu Weaving & Himachal Crafts** – Documented traditional weaving techniques and textile craft practices of Himachal Pradesh.
